I would love to be like you. I didn't know what to say. You are such an inspiration to me. I mean I have even written one about your story. I would love for you to read it. It is nothing more than a memeber of the forum (augmented thoughts) It is called "A Smidgen of Tolerance". I only wanted to write a love story because I am in love with your writing and the way you tell a story. I am a computer science major and I believe its best practice to write stories about
